

# ***Impact 2010: Mission & Vision***

## OF THE BRETHREN IN CHRIST

### ***Mission***

Our mission is to build a community of believers  
who worship and obey God  
and share the Good News of Jesus with all people.

Paraphrased from the denominational statement of purpose  
*Manual of Doctrine and Government*, Article II

### ***Vision***

By 2010, we see the Brethren in Christ Church in North America as:  
*325 healthy congregations*  
*in partnership to impact the world for Jesus Christ.*  
We will strive together for the fulfillment of this vision in these ways:

#### **Fervent Prayer**

We will pray and fast for the life-changing grace of God to renew the church.

#### **Healthy Congregations**

We will strengthen distinguishing traits of health in our congregations.

#### **Bold Communication**

We will boldly declare the enduring biblical message with fresh words and enthusiasm.

#### **Ambitious Church Planting**

We will create partnerships within and among our congregations to start new congregations.

#### **Active Compassion**

We will actively respond to human need in the name of Jesus Christ.

#### **Global Mobilization**

We will mobilize for global witness and service, especially among the least-reached peoples of the world.

#### **Leadership Development**

We will raise up and develop men and women as workers and leaders for an expanding network of congregations and ministries.

#### **Enriched Community**

We will work to be increasingly enriched by ethnic, cultural and racial diversity.
